

Say You Want To Be

Study in the School of Engineering Program

Aerospace Engineer

Mechanical Engineering or Materials Science & Engineering
or Management & Engineering for Manufacturing

Architectural Engineer

Civil Engineering

Biomedical Engineer

Electrical Engineering
or Chemical Engineering
or Mechanical Engineering

Ceramic Engineer

Materials Science & Engineering

Chemical Engineer

Chemical Engineering

Civil Engineer

Civil Engineering

Communications Engineer

Computer Science & Engineering
or Computer Engineering
or Electrical Engineering

Computer Engineer

Computer Science & Engineering
or Computer Engineering
or Computer Science

Construction Engineer

Civil Engineering
or Management & Engineering for Manufacturing

Electrical Engineer

Electrical Engineering

Electro-Mechanical Engineer

Electrical Engineering or Computer Engineering or Mechanical Engineering

Environmental Engineer

Environmental Engineering
or Civil Engineering
or Chemical Engineering

Food Engineer

Chemical Engineering

Geological Engineer

Civil Engineering

Geomatics Engineer

Civil Engineering

Industrial Engineer

Management & Engineering for Manufacturing
or Mechanical Engineering

Information Technology Engineer

Computer Science & Engineering
or Computer Engineering
or Computer Science

Marine Engineer	Mechanical Engineering
Materials Engineer	Materials Science & Engineering or Chemical Engineering
Mechanical Engineer	Mechanical Engineering
Mineral/Mining Engineer	Materials Science & Engineering
Naval Architect	Mechanical Engineering
Nuclear Engineer	Mechanical Engineering or Chemical Engineering
Ocean Engineer	Mechanical Engineering
Petroleum Engineer	Chemical Engineering
Plastics Engineer	Chemical Engineering or Materials Science & Engineering
Production Engineer	Management and Engineering for Manufacturing
Surveyor	Civil Engineering
Software Engineer	Computer Science & Engineering or Computer Engineering or Computer Science
Systems Engineer	Electrical Engineering or Mechanical Engineering
Water Resource Engineer	Environmental Engineering or Civil Engineering or Chemical Engineering
Welding Engineer	Materials Science & Engineering

Other Professions

Law Degree – Patent Attorney

Any Engineering Degree

Medical or Dental Degree

***Any Engineering Degree – Biomedical and
Chemical Engineering most compatible.***
